When he came to the office, he was a little late. He had a meeting with the manager and he had to go to the bank. He was very busy and he had to finish his work before he went home.

(1) Before he got to the office, he had a meeting with the manager. He had to go to the bank and he had to finish his work before he went home. He was very busy and he had to finish his work before he went home.

(2) If he had a meeting with the manager, he would have to go to the bank. He would have to finish his work before he went home. He would have to finish his work before he went home.

1. Make it clear that he was late for the office. He had a meeting with the manager and he had to go to the bank. He was very busy and he had to finish his work before he went home.

2. Check the grammar and punctuation. He had a meeting with the manager and he had to go to the bank. He was very busy and he had to finish his work before he went home.

(3) He had a meeting with the manager and he had to go to the bank. He was very busy and he had to finish his work before he went home. He had to finish his work before he went home.

(4) The meeting with the manager and the trip to the bank were very busy and he had to finish his work before he went home.

1. He got to the office a little late because he had a meeting with the manager.

2. He got to the office a little late because he had a meeting with the manager and he had to go to the bank.

3. He got to the office a little late because he had a meeting with the manager.

The meeting with the manager and the trip to the bank were very busy and he had to finish his work before he went home. He had to finish his work before he went home.

When he came to the office, he was a little late. He had a meeting with the manager and he had to go to the bank. He was very busy and he had to finish his work before he went home.

(1) The meeting with the manager and the trip to the bank were very busy and he had to finish his work before he went home. He had to finish his work before he went home.

1. He had a meeting with the manager and he had to go to the bank. He was very busy and he had to finish his work before he went home.

2. He had a meeting with the manager and he had to go to the bank. He was very busy and he had to finish his work before he went home.
